MJ Hudson Highly Commended at The Lawyer Awards for ‘Boutique Firm of the Year’

MJ Hudson is pleased to announce that it has been Highly Commended in the ‘Boutique Firm of the Year’ category, at this year’s The Lawyer Awards.

The firm congratulates Fenchurch Law on its win.

The judges had the following to say about the MJ Hudson entry.

Highly commended: MJ Hudson

Alternative asset specialist MJ Hudson has made a serious set of acquisitions in the past two years, but has stayed close to its vision of advising players within the alternative assets industry, from governments, charities, sovereign wealth funds, pension funds and fund managers. It offers absolute transparency on fees and as an ABS has the flexibility to take non-voting equity stakes in clients’ businesses in lieu of cash fees. The judges praised the firm’s ‘strong growth’ and ‘focus on talent management and workplace development’.

Eamon Devlin, Managing Partner at MJ Hudson had this to say about the achievement “On the back of a strong year for the firm we are delighted that the expertise and hard work of the team has been recognised by The Lawyer and the judges of the awards. We believe that happy lawyers are better lawyers and the firm will continue to do everything it can to make MJ Hudson a rewarding and enjoyable place to work.”
